Training Module

Capacity Building on Recommendations of 2nd ARC (DARPG - GoI) on Ethics in Governance for Group A and B Officers

Background:

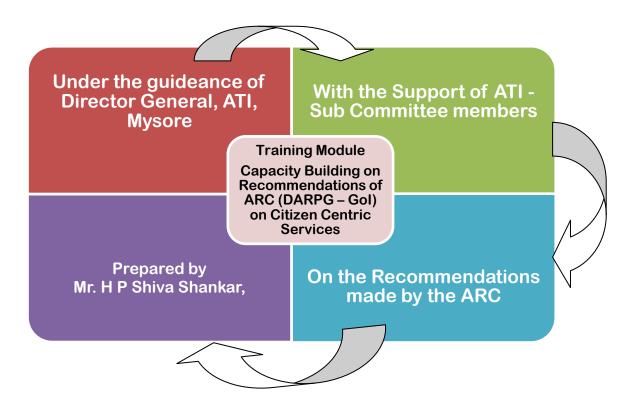

The Department of Administrative Reforms and Public Grievances is the nodal agency of the Government of India for administrative reforms as well as redress of public grievances relating to the states in general and those pertaining to Central Government agencies in particular. The Department endeavors to document and disseminate successful good governance practices by way of audio-visual media and publications. The Department also undertakes activities in the field of international exchange and cooperation to promote public service reforms. In this backdrop 2nd ARC was set up by Government of India as a Committee of inquiry to prepare a detailed blueprint for revamping the Public Administration System.

The Commission has suggested measures to achieve a proactive, responsive, accountable, sustainable and efficient administration for the country at all levels of the government. The Commission had submitted 15 reports Of this, 12 reposts have so far been considered by the government, accordingly, 4th Report of ARC focuses on "Ethics in Governance". Good Governance can be a reality only when it is built on strong ethical values enshrined in our "Dharma" & also Constitution. Whatever is un-ethical is harmful to the society in the longer terms. All our quest to provide Good Governance need to be built on the ethically supported 'Rajya Dharma". The 4th ARC Report is dedicated to uphold this belief and advocates to practice in day to day life. It is with this objective the Module aims at providing basic understanding of ethics in Governance for all the Public Servants.

DARPG in its quest to translate recommendations in to reality has requested ATIs to work out on development of Modules for imparting training to officers at Induction as well at Midcourse level through its letter No K-11022/63/2012-ar Dated 12th March, 2013.

Taking cue from the GoI directive, Director General, ATI, Mysore constituted a Sub-Committee to look into Capacity Building of Trainers and for providing training at various levels, for fast tracking implementation of 2nd ARC Recommendations. Accordingly, a subcommittee was constituted by office order No .TRG.182/2012-13 dated 18th March 2013. Composition of the committee members are as under with Joint Director, Training as the Chairman.
